UUA's "Love Resists" is dedicated to creating safe spaces for communities under threat: supporting sanctuary and build relationships.
<http://www.uua.org/loveresists/about>

Love Resists has monthly facilitated calls for those who have signed the *Declaration of Conscience*. August 11, the call was about our congregation's emerging relationship with students from SPEAK, a UC Davis group that supports undocumented students. Rev. Beth Banks represented UUCD on this call, but the relationship is being built by an increasing number of people in our congregation. She'll let the listeners know about the many ways we're involved in this issue. See the bulletin and *Bending the Arc* for ways to become involved.
