

Memorial Grove Unitarian Universalist Church of Davis

A quiet space to honor those no longer with us.

The Memorial Grove at the Unitarian Universalist Church of Davis is a quiet place, with trees and benches, for remembering church Members and Contributing Friends who have died.

Each memorial tile is engraved with the name and lifespan of the person being remembered. Memorial tiles are 12 inches wide by 3 inches high. Friends and family may select a pillar, a side on which to place the tile, and may reserve space beside another tile. The \$200 fee includes engraving, installation, and maintenance.

The Memorial Grove Committee maintains biographical information about individuals memorialized in the grove. Family and friends are invited to the annual Memorial Grove Service, held in the fall, when we remember those who have died in the past year.

Families and friends may also wish to consider a contribution to maintain the Grove, to the church's Endowment Fund, or the General Fund. For questions related to other memorials, please contact the church office.

The Memorial Grove was made possible through the generosity of members of the UU Church of Davis.

Memorial Tile: Complete (please print) and return this form to the church office.

This tile is for A loved one Pre-payment for myself Installed now / at my death
